Sir,

I retired on superannuation, as District Veterinary Officer on 4-7-1951.

My pay at the time of retirement was Rs 380/- + Dearness Allowance.

I am now receiving a pension of Rs 170-2-0.

2. I had 24 transfers in my service covering 13 Districts (Tamil & Telugu) & the entire Mysore & Coorg (Canarese).

This has resulted in interruption of my children's education frequently due to change over from Telugu to Tamil & Canarese, as it was not financially possible to maintain a separate establishment for children in a single place.

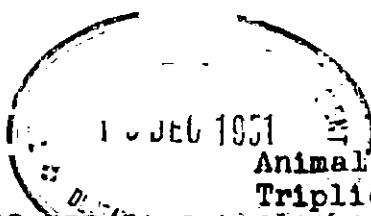

I now feel it impossible to manage my household expenses & children's education with my pension.

3. I therefore request that I may be permitted to seek some private employment (on a pay not exceeding the difference between my last pay & pension) whenever opportunities occur, to enable me to meet my family expenses & for children's higher education.

Yours faithfully

S. A. Sastri 3/11/51

As per above cited G.O. I retired as
District Veterinary Officer on 4-7-1951, having
completed 55 years of age.

I have been granted a pension of

Rs 170-2-0 p.m.

As this amount is not sufficient
to meet the cost of living & children's
education and as I have no other
source of income, I am forced to
seek some service elsewhere -
either in Part B states or private
employment.

In my letter D/3.11.51, I requested
permission to seek private service.

I shall be grateful for
grant of early orders, complying
with my request.

A general permission as asked for is not usually given, since it will be against the spirit of the provisions in Art 531-D. C.S.R. Sri. Sastri may therefore be informed that the question of granting him permission under Art 531-D. C.S.R. will be considered by the Government as and when he applies

for the same specifying the post in which he is to be employed. (This is the procedure that has been suggested in certain other similar cases. When general permission is asked for)
